NCSBN Examinations

NCLEX, the world's premiere licensure exam will be more convenient than ever. Imagine being able to NCLEX online, giving you more choice and easier access.

Imagine being able to NCLEX at home. Bring the exam for the real world of nursing, right to the comfort of your room and with more flexible hours. Imagine being able to NCLEX anytime that works for you. It's all thanks to enhanced technology and monitoring that ensures a proper testing environment and the utmost in exam fairness and integrity.

No matter where you take the NCLEX, it's still the same world class exam with computer adapted testing to measure your ability and case studies that look like real life.

Visit [nclex.com](https://www.nclex.com) to learn more, and sign up to receive email updates on when you can NCLEX online. Where you take your nursing career is up to you, and so is where you take the NCLEX.
